IN PARTNERSHIP WITH

WHAT'S GSE?

- Established in 1959
- A non-profit independent organisation, led by volunteers
- Focuses on ICT solutions based on IBM architectures
- Over 1,000 IBM high end customers
- Organised across 10 European Regions
- 140 Working Groups
- European Conferences focusing on management and industry topics
- Product Requirements Process
- Addresses Business Concerns of its Members
- University Programme in support of IBM's Academic Initiative
- Member of the IUGC (International User Group Council) with 23,000 company memberships worldwide

WHAT'S IN IT FOR YOU?

A GSE membership offers you:

- An independent cost-effective source of up-to-the-minute information, and news about solutions, products and services
- A strong voice expressing demands and requests on your behalf
- A Business Concerns Process to simplify business relationships and to influence future marketing and customer support policies
- A platform for contacts with peer companies
- A sounding board through informal contact with peers in other companies, customers to customers
- Opportunities for personal development for your staff
- Contact with the vendors, labs and development in technical skills
- Networking opportunities
- Sharing of experience with other members, avoiding the pitfalls
- A 15% discount on enrolment fee of IBM Technical Conferences and Training Courses, meaning accessible, value-for-money top quality education
