WHAT'S GSE?

- An independent organisation, led by volunteers
- Focuses on ICT Solutions based on IBM architectures
- 1,300 IBM high end customers
- 150 Working Groups
- Organised in 11 European Regions
- 8 European Conferences focusing on management and industry topics
- Joint branding for all IBM ITES Technical Conferences
- Product Requirement Process
- Addresses Business Concerns of its membership
- Member of the IUGC (International User Group Council) with 23,000 company membership worldwide

WHAT'S IN IT FOR YOU?

GSE offers you:

- An independent source of cost effective and timely information about solutions, products and services
- A stronger voice expressing demands and requests
- A Business Concerns Process to simplify business relationships and to influence future marketing and customer support policies
- A platform for contacts with peer companies
- A sounding board through informal contact with peers in other companies, customer to customer
- Opportunities for personal development for your staff
- Contact with the vendors labs and development in technical skills
- Networking opportunities
- Sharing of experience with other members, avoiding the pitfalls
- Value for money education with a 10% discount on conference fee for GSE Members at IBM ITES Technical Conferences
